MEMORIES—Third Edition
Published By
BLOOMFIELD HIGH SCHOOL
BLOOMFIELD, NEW JERSEY
Class of 1948

We, the Graduating Class of 1948, because of our activities and experiences in B. H. S., are now prepared to take our place as citizens in the town of Bloomfield . . . The theme of our edition of **Memories** is to compare the events in the life of a Senior with those in the life of a Citizen. Is this a hard task? Not really, for the simple reason that we do the same fundamental things now that we will do as adult citizens later on. Our Senior Class is actually Bloomfield in miniature . . . A citizen must work to live . . . We also have a job to do . . . Social affairs enter into an adult's life . . . Through club activities, assembly programs, and sports, we too have social experiences . . . As citizens we will choose our governing body in the same manner as we have elected our class officers . . . We have learned to work and live with the same type of people we will meet in the future. For are not today's Students tomorrow's Citizens?

Alma Mater of Bloomfield High School

Words and Music by

There's a high school in New Jer-sey, Dear old Bloom-field, bless her name;—
Soon the time will come when leav-ing Brings sor-row to each heart;—

And we've loved her, yes, we've loved her, Since the day when first we came.—
And we'll say good-bye to Bloom-field— Let us prom-ise, ere we part,—

So, all hail! to Al-ma Ma-ter, And pledge e-ter-nal-ly,—
Though the years be long, when-ev-er we may meet, we'll join in praise,—

To live and die for Bloom-field High in love and loy-al-ty.
And thank our Al-ma Ma-ter for our good old high school days.

Industry is the backbone of our town. Without our scientific corporations, business houses, stores, factories, and public utilities, the town could not thrive . . . Without our science, business education, social studies, special subjects, and guidance departments, our school could not thrive. Thus, as industry is the backbone of our town, the faculty is the backbone of our school.

ADVISERS { MISS IRENE F. BRUMMERSTEDT
MISS DOROTHEA J. FISCHER
MR. WILLIAM A. WILLEVER

Interviews, lengthy discussions, writing, paste-ups, layouts, snapping pictures, typing, proof reading, re-typing—these are the main tasks of the annual staff, tasks that take not only minutes or hours, but days. An individual is not competent to do all the work, but a team, similar to one competing for a prize or goal, must do the job. Accuracy, co-operation, effort, and interest are a few of the traits which identify the team, whether it be partaking in a competitive event or publishing an annual.

Every team, regardless of its kind, needs coaches. Our team is no exception. We greatly appreciate the untiring patience and necessary guidance of our advisers. Without their valuable coaching we would have been "shut out", but they have led us successfully to our goal—an edition of *Memories* to represent the Class of '48.

INMATES

The future citizens . . . a mixture of nationalities . . . Schmidt, O'Rourke, Binkiewicz, Andersen, Lee, Stefanczyk, Lotrecchiano, Smith. Living and working together with these students of different nationalities, varied beliefs, ideas, and personalities has made us better citizens of Bloomfield.

ADVISERS

We certainly were lucky to draw you, Mrs. Murchie, as our adviser, for you have personified the ideal class guardian. When we first came to B.H.S. as wide-eyed Sophomores, you tried to help us know more about the school and how to get along successfully in it. Our Junior Prom without your capable assistance would have been a fiasco. Then, as Seniors, the many problems that faced the class, such as graduating in one body and making sure of being financially solvent enough to produce this book, were smoothed out again with you at the helm. Our sincere thanks to you, friend and adviser!

MRS. ELIZABETH P. MURCHIE

MR. ARTHUR BAUER

During the latter part of our sophomore year, we, the Senior Class, lost our adviser and friend, Mr. Arthur Bauer. We wish to express our sincere appreciation for his untiring assistance and friendly advice in our first year in B.H.S.

MR. EDWARD M. URBAND

To you, Mr. Urband, we wish to express our thanks for your efforts in guiding us successfully through our high school career.

Adult citizens also participate in recreational activities, civic groups, and clubs for diversion . . . Again we see a comparison between Seniors and Citizens.

"The DIVINE

ON STAGE

As predicted, "The Divine Flora" was truly divine!! From the beginning of the prologue to the final curtain, the audience was kept in hysterics by the fast-moving dialogue and the perfectly natural actions of the Pryors and their friends. The play had a successful three-night run. From the "first nighters", who witnessed the eastern premiere of "Flora", to our final audience, everyone loved it.

We'll never forget some scenes:

Flora's "Love in Tahiti" beach costume
 . . . Buzz's hilarious pantomines . . .
 The war-whooping fans of Tex Arlen.

We repeat, "Flora" was truly divine!
 Need we say more?

BEHIND SCENES

Not all the success was due to the on-
 stage caperings; for without the support of
 those behind the scenes, "Flora" would
 have flopped!

Our director, Mrs. Williams, contributed
 immeasurably to the success of the show.
 Her assistants were continually seen racing
 here and there on important missions. The
 advertising, publicity, ticket, art, costume,
 and make-up committees all did a wonder-
 ful job too, and without the stage crew the
 curtain would never have gone up!

With the invaluable aid of these workers
 "Flora" couldn't help but be a hit.

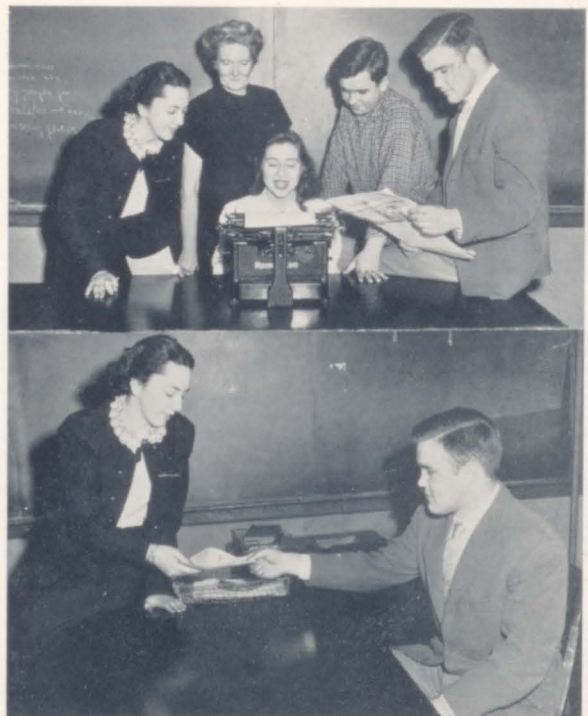

The Student Prints

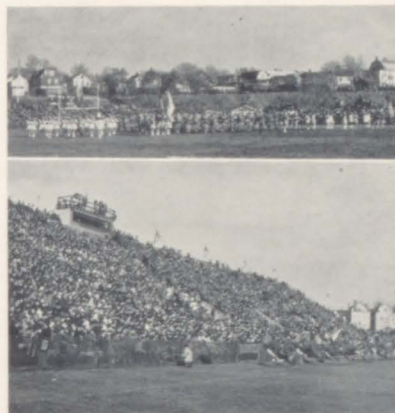

Friday afternoon deadline is a busy time for the **Student Prints** staff. Fact-finding reporters dash into the **Prints'** Office bearing the latest news stories. Immediately someone from the typing department types the article for the waiting proof readers. Editor Bob Larkin and his associate Iris Kurner plan an interesting news layout for the first and third pages, while feature editor Mary Compton assembles the second page with her material. The sports page is taken care of by Jack Selle. All of these activities are carried on under the able, helpful supervision of Mrs. Agnes Conroy.

The **Prints** has competently served its purpose of supplying the students with news, feature, and sports material twelve times a year for the past 20 years.

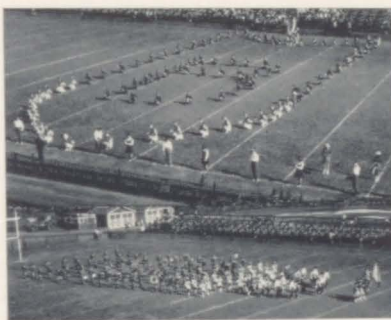

BAND TWIRLERS CHEERLEADERS

Football fans had a real treat when Bloomfield's band, bigger-and-better-than-ever, marched down the field last fall. Tricky formations, catchy music, comic capers were worked into the routines, which were led by Drum-Major Fred Hamm.

Our band has been an asset to us not only on the football field, but also at many assemblies and rallies. Thanks go to Mr. Hartman for making B.H.S.'s band what it is today.

Colorful misses who accompany the band on the field during the football season are the energetic twirlers. Their acts between the halves arouse interest in the onlookers equal to the attention shown to the actual game. Organized under the guidance of Mrs. Seely, their presence has been a welcome addition to the games.

The cheerleaders' strenuous efforts have been rewarded by resounding cheers backing our teams. Guided by Mrs. Murchie and Mr. Crosby, they began practice early in the year in order to put their best cheers forward on the field.

The 1947 edition of Bengal football finished the season with a record of 3 wins, 5 losses, and a scoreless tie, which, unfortunately, wasn't a true value of the team. Coach Foley's combine, following a bad season, once again returned to the old Bloomfield tradition of good tough football. In three of their losses, the Foleymen dropped heartbreakers to Belleville 6-0, to Central 6-0; and, in the annual Thanksgiving Day classic with Montclair, our eleven stopped the state champ's famed ground attack cold, but slipped up on the pass defense, and dropped a thriller 13-0. Our three victories were crushing defeats over Paterson East Side 39-7, Dickinson 34-0, and Nutley 34-19. Walt Trillhaase was elected next year's Captain, succeeding Bruce Maples.

FIRST ROW: Charette, McCormick, Cestone, Nisivocci, Saporita, Captain Maples, Trillhaase, Mustachio, Tomasko.

SECOND ROW: Coach Foley, Nicosia, Holman, Fernicola, Castagno, Scorpati, Molinski, Richter, Wolski, Tomasetti, Assistant Coach Moore.

THIRD ROW: Assistant Coach Piefke, Reach, Janerone, Konak, LaRezza, Woods, Manager Beers, F. Stevens, B. Stevens, Kirwan, Russomano, Slattery, Assistant Coach Kulikowski.

FOURTH ROW: Karnis, Hughes, Swerdlow, Kessler, Guffreau, Mustachio, Day, Crecca, Ruvo, Traphagen, Laurence, Conitour, DeMott.

LAST ROW: Bracaglia, Zemzicki, Ayers, Coraggio, Sannock.

FOOTBALL

Coach Foley put in his 33rd year as head man of football in Bengaltown last season, as-
sisted by a spanking new staff of coaches.
They were Mr. John Kulikowski and Mr. Paul
Piefke as backfield coaches, and Mr. William
Hemple as line coach with the varsity, with
Mr. Joseph Moore and Mr. George Cella di-
recting the junior varsity.

STANDING—Coach Foley, Managers John Sylva and Pete Amirata, Joe Russomano, Don Kirwan, Jim Lotrecchiano, Assistant Coach Cella, Ted Fielding, Vincent Capiello, Walter Losee, Jim Cerone, Manager Ernie Selser, Assistant Coach Berlinski.

BASEBALL

The baseball team, after a most promising start, finally closed out their campaign with a record of 6 wins and 5 losses. With George Bahto and Bobby Richardson doing most of the stickwork, the Bengals dropped the opening game of the season, but went on from there to a 5 game winning streak, which bogged down later. The most prominent win of the season was over Irvington and over one of the state's best pitchers, namely Ted Baryiewski, who was bested 3-1. Our best chucker all season was Joe Dimmick.

BASKETBALL

Mr. Cella ended his first season as head mentor of the basketball team with a record of three wins and fifteen losses. Coach Cella had quite a job cut out for him at the season's start with only one letterman in Don McCormick who played just enough to earn one. There was one highlight in the season, however. January 20, 1948, was the date when our quintet met one of the state's leading combines in Central Newark and humbled them 33-28. One of the promising scorers for next year featured the offensive note that evening; namely, Eddie Woods, with 11 markers. The big threat during the season was lanky Nick Lalinga who garnered 178 points, with Don McCormick and Art Charette trailing with 115 and 71 points respectively.

STANDING—Dick Hoff, Ed Woods, Dave Swardlow, Mike Mattia, Art Charette, Joe Russomano.

SEATED — Coach George A. Cella, Richard Driscoll, Francis Lutz, Peter Bretz, Don McCormick, Nick Lalinga, Assistant*Coach Joseph S. Moore.

TRACK

Six wins and three losses in dual meets and placing third twice in triangular meets was the work of our track squad last season under the guidance of Coach Pascal. The mile relay team paced third at the Seton Hall relays with Gene Springer, Ben Holman, Fritz Berg, and Ed Hunt winning bronze medals. In the Board of Education meet, Don McDade copped a silver medal for throwing the discus, and garnered himself a total of 105 points over the season, only 7 off the record of 112 set in 1944 by "Bubbles" Leonard. Mel Anderson ran only the hurdles for 66 points, while Dick VanCleve and Gordon McCombie alternated in the mile, with each making 22 markers. The track team will have four dependable lettermen returning in Fritz Berg, Ben Holman, Bill Erb, and Gordon McCombie.

FRONT ROW. SITTING, LEFT TO RIGHT: Springer, Lawler, Maffei, Hunt, D'Andrea, Curry, Chapin, Weidlich.

SECOND ROW: McCombie, Erb, Henry, Corus, Manager Urscheler, Carey, Anderson, VanCleve, Holman, Kilpatrick.

THIRD ROW: Assistant Coach Graham, Fuscaldo, Schmidt, Ziegler, Smith, Bender, Johnson, Gasser, Gibson, Olandt, Coach Pascal.

FOURTH ROW: Kessler, Kurkewicz, Hoffman, Kunkle, Peterson, Casagrand, Saul, Fasulo, Keese.

GOLF

The golf team, led by Bob Hardy, who won the state tournament, finished out their season with a record of 5 wins and 3 losses. Mr. Christian's other dependables were John Segraves, Frank Skorupski, and John Grady.

TENNIS

Last year's tennis squad was beseiged by "Ole Jupe Pluvius", having no less than 6 of their scheduled 12 matches rained out. The remaining 6 matches were all losses, however. Charlie Barboz was last year's top man.

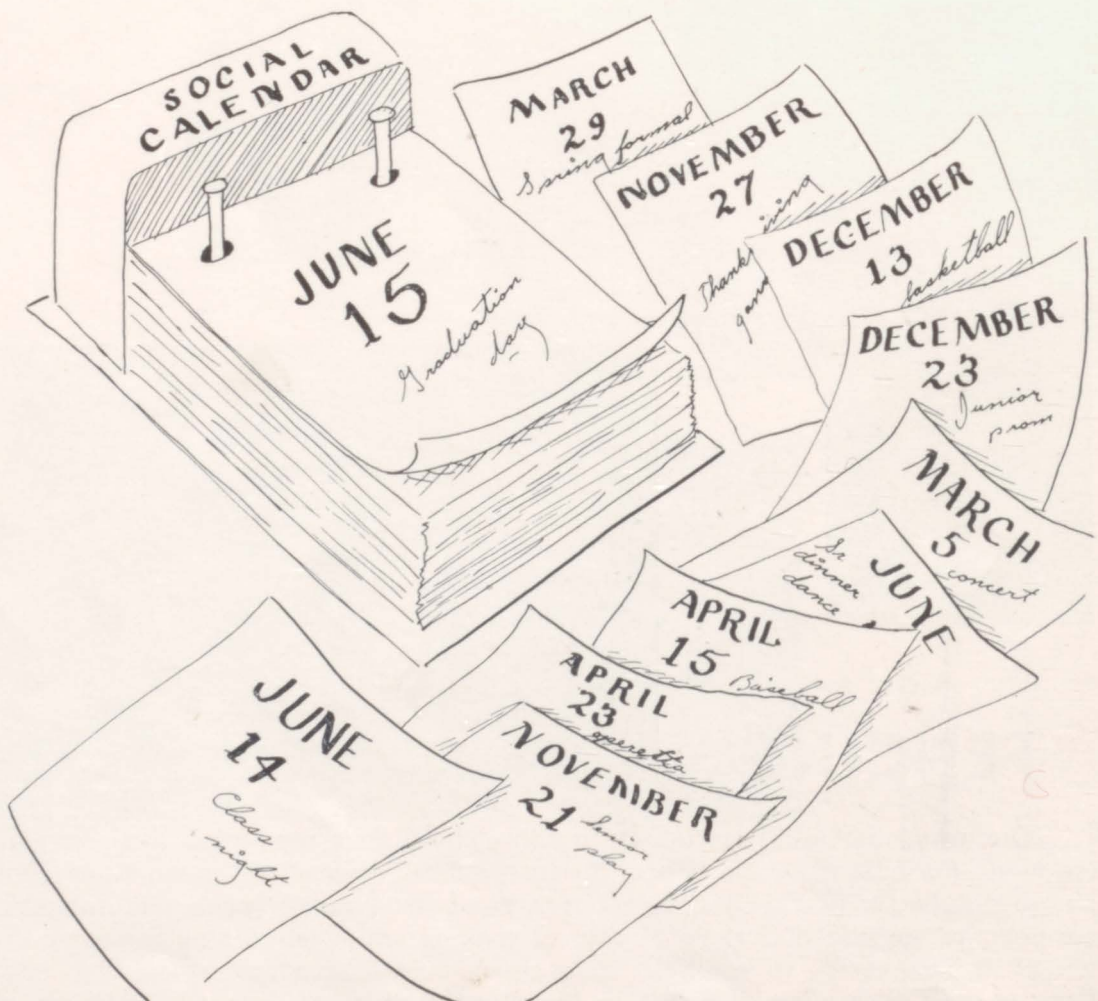

FENCING

Our winning fencing team once again upheld their reputation they have built up during the past seasons. Coach Vin Surdi's crew downed the tough Army Plebes, before traveling to N. Y. U. to take place in the Interscholastic Fencing Tournament to compete for the prized Costello trophy. They captured number three position and returned to New Jersey to wrest the state championship from Barringer. Our leading foilsman are Captain Tom Joyner, Gim Lee, Dan Keesee, Bob White, and Ed Ventimiglia.

MR. RALPH W. KUNKLE

Mr. Ralph W. Kunkle, our Faculty Manager of Athletics, is the little man usually seen behind the ticket window in the boys' gym or out at Foley Field. He is responsible for the purchasing of all our athletic equipment, and for our fine competitive schedule of football, basketball and baseball.

MISS EDITH C. RUSSELL

Miss Russell is the one responsible for the success and fame of the archery team, military drill and gym teams. Character, as well as athletic ability, is stressed as a requisite for gym team girls. To Miss Russell goes our sincere appreciation for her untiring efforts in the training of her champion archery team, gym teams, and precision-trained military drill.

MRS. MYRA SEELY

Field hockey, swimming, twirling squad, basketball, baseball and leaders club testify to the leadership ability and versatility of Mrs. Seely in the line of sports. Her cheerful instruction and coaching in these activities has encouraged great numbers of girls to go out for these sports.

ARCHERY

Champions in every sense of the word, the Archery Team has held the championship in the National Interscholastic Tournament all eight years of the tourney's existence. The Panzer College State High School title has also been held eight times.

The twenty-five girls on the team practice three times a week in the gym until spring arrives, when the archers go to Foley Field to shoot. While in the gym, shooting is limited; on the field the girls are able to vary their targets and shoot from twenty to sixty yards.

The enthusiasm the girls show and the excellence of their coach, Miss Russell, are credited with the continued success of the team.

It is a long-standing tradition that members of Miss Russell's gym team represent the finest in athletic ability and character; therefore, it is with a great deal of pride that a girl becomes a member of the gym team. With training and practice, the girls become proficient in performing on ropes, parallel bars, and rings. Tumbling, dancing, and, of course, the military drill also play an important part in the work of the team. Every March an exhibition, the result of many hours practice, is presented before capacity audiences. To be a member of either the Junior or Senior Gym Team is an honor which any girl is proud to receive.

GYM TEAM

BASKETBALL

This year the girls had a spectacular intra-mural basketball season. Each class, sophomore, junior and senior, had representative teams which played until a winning team was selected from each class. The Gibson Girls emerged the victors of these three teams. The top senior team was the tall, sharp shooting Adroit Seniors captained by Daisy Hester.

HOCKEY

Bruised shins, weary bodies, excellent displays of sportsmanship and hours of fun are all a part of the hockey season. This year for the first time hockey was an intra-mural program. The candidates divided into three teams, a sophomore, junior, and senior team. Practice after school at Watsessing Park was followed by a tournament between the three teams. The winning team played the annual game against the Junior High girls. Naturally the High School won!

LEADERS CLUB

The Leaders Club consists of a group of girls (a captain, checker, equipment manager and eight squad leaders) representing each class, who plan to promote better gym periods for the girls of Mrs. Seely's gym classes. The girls not only plan the period but also take complete charge of all the activities. Mrs. Seely organized the club two years ago and it is still proceeding smoothly under her able guidance.

Believing that class work alone cannot produce a citizen prepared for life in all its moods, the faculty of our school has developed an extensive and varied selection of extra-curricular activities.

These activities are designed to plan an integral part in the moulding of the future citizens. Reading, writing, and 'rithmetic, they reasoned, did not fully take advantage of all of a student's capabilities. Something else was needed to allow the development of the personality of the students to keep abreast of the development of the mind as both grow toward maturity. It is therefore in the out-of-school activities that the student is provided numerous possibilities to develop his personalities.

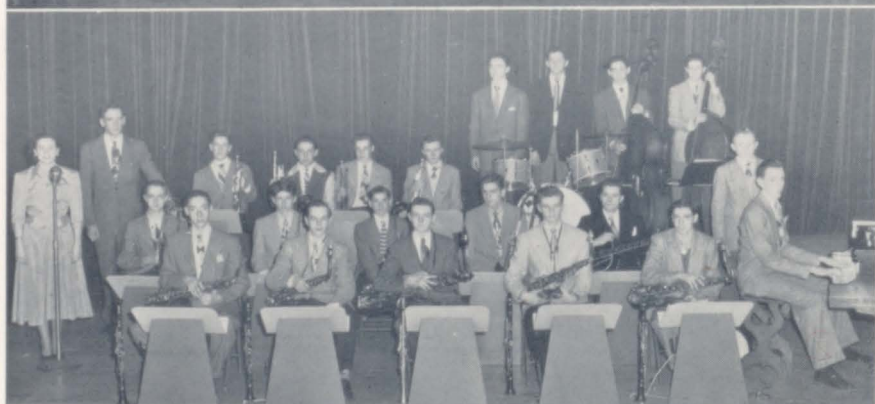

Leadership, creative flares in the fields of art and literature, sportsmanhip, responsibility, and athletic prowess are a few of the qualities encouraged by these activities. And this growth, like that in the classroom, is not haphazard but follows a planned pattern under the guidance of trained faculty advisers.

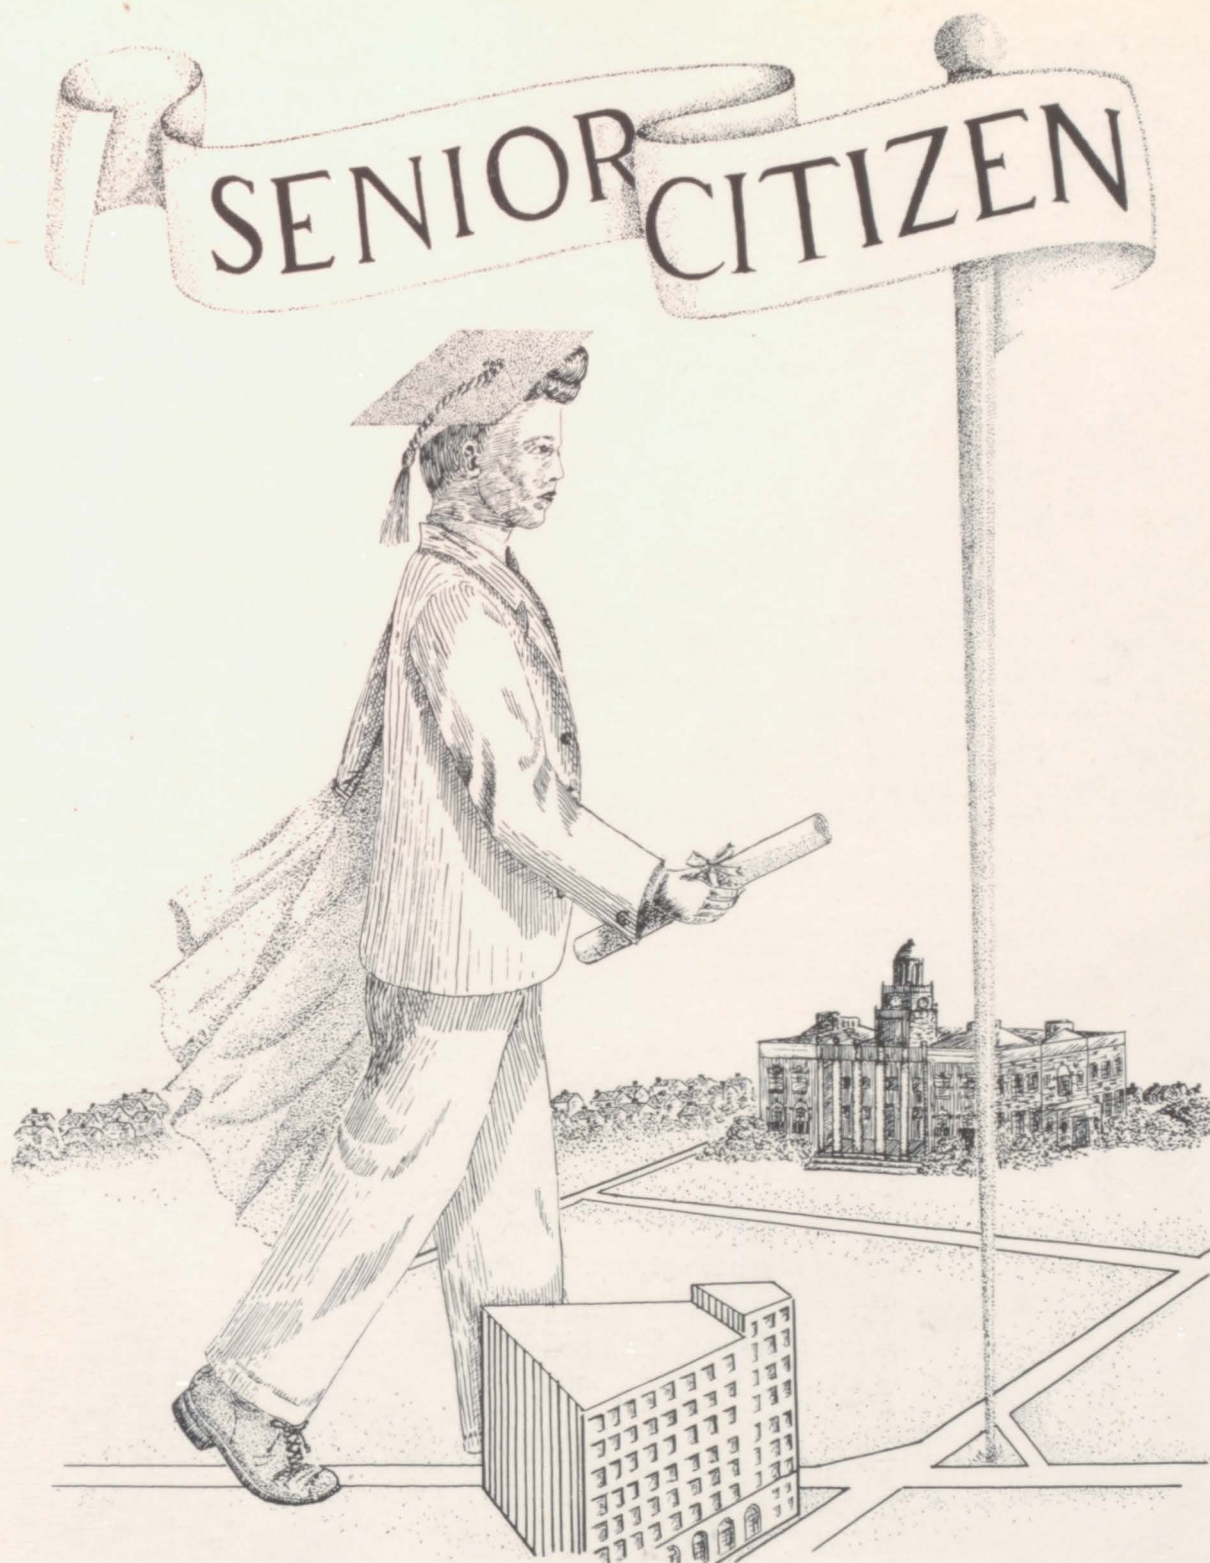

Extra-curricular activities besides benefiting the student are also very beneficial to the school as a whole. Through the work of many of our clubs, the school is provided with innumerable assembly programs. Activities such as the Stage Crew, Art Staff, Dramatic Club, and the Musical Department have through their joint efforts presented such productions as the Senior Play, the Operetta, and numerous other enjoyable programs.

This program of extra-curricular activities has proved that the faculty was right, for the program is now producing well-rounded students as a result of this combination of scholastic and extra-curricular efforts.

Yes, now is the time to say good-bye. Good-bye to the books and teachers, but also good-bye to the good times, crowded halls, jammed lockers, the lunch period gang, and the old home room. Remember the noisy pep assemblies, various club meetings, dances after the basketball games, and that study hall where you never did get any work done? And how about those balmy days you just couldn't go to class! Yes, it's all behind us now, and it's time to say good-bye. Good-bye as students, but hello as citizens. Hello to the future whatever it holds. Whether it be college, office, factory, or home, may it be bright for everyone of us and may we in the years to come look back in this book and say, "Yes, I remember . . ."

The book is completed

My job is done. But I am only one person. There are many, many people who have contributed to the successful production of the book. May I take this opportunity to express my sincere appreciation to those who have given their time and efforts in making this edition of **Memories** the best possible.

I am deeply indebted to our three advisers: Miss Dorothea J. Fischer, for her untiring efforts with the art work and layouts; Mr. William A. Will-ever for his efficient supervision of the photography; Miss Irene F. Brummerstedt, for her help not only to the literary, typing and auxiliary staffs, but also for her guidance in the all-over planning of the book.

I also extend my gratitude to Mr. Charles Titus and Mr. William Litvany of the Bloomfield Independent Press for their labor and indispensable advice in the printing of this book.

To Mr. Franklin Snyder of the Scientific Engraving Company for his quick, careful work in engraving the cuts.

To Mr. Max Klein for handling financial matters.

To Mr. Tony Dato and Mr. Chester Zimbal of Thomas Studios who took our senior portraits and many of our pictures.

To all the students who have given their time, effort, and ideas to make this book a success.

Special thanks to those who have done the tedious, monotonous jobs without any glory attached to their labors.

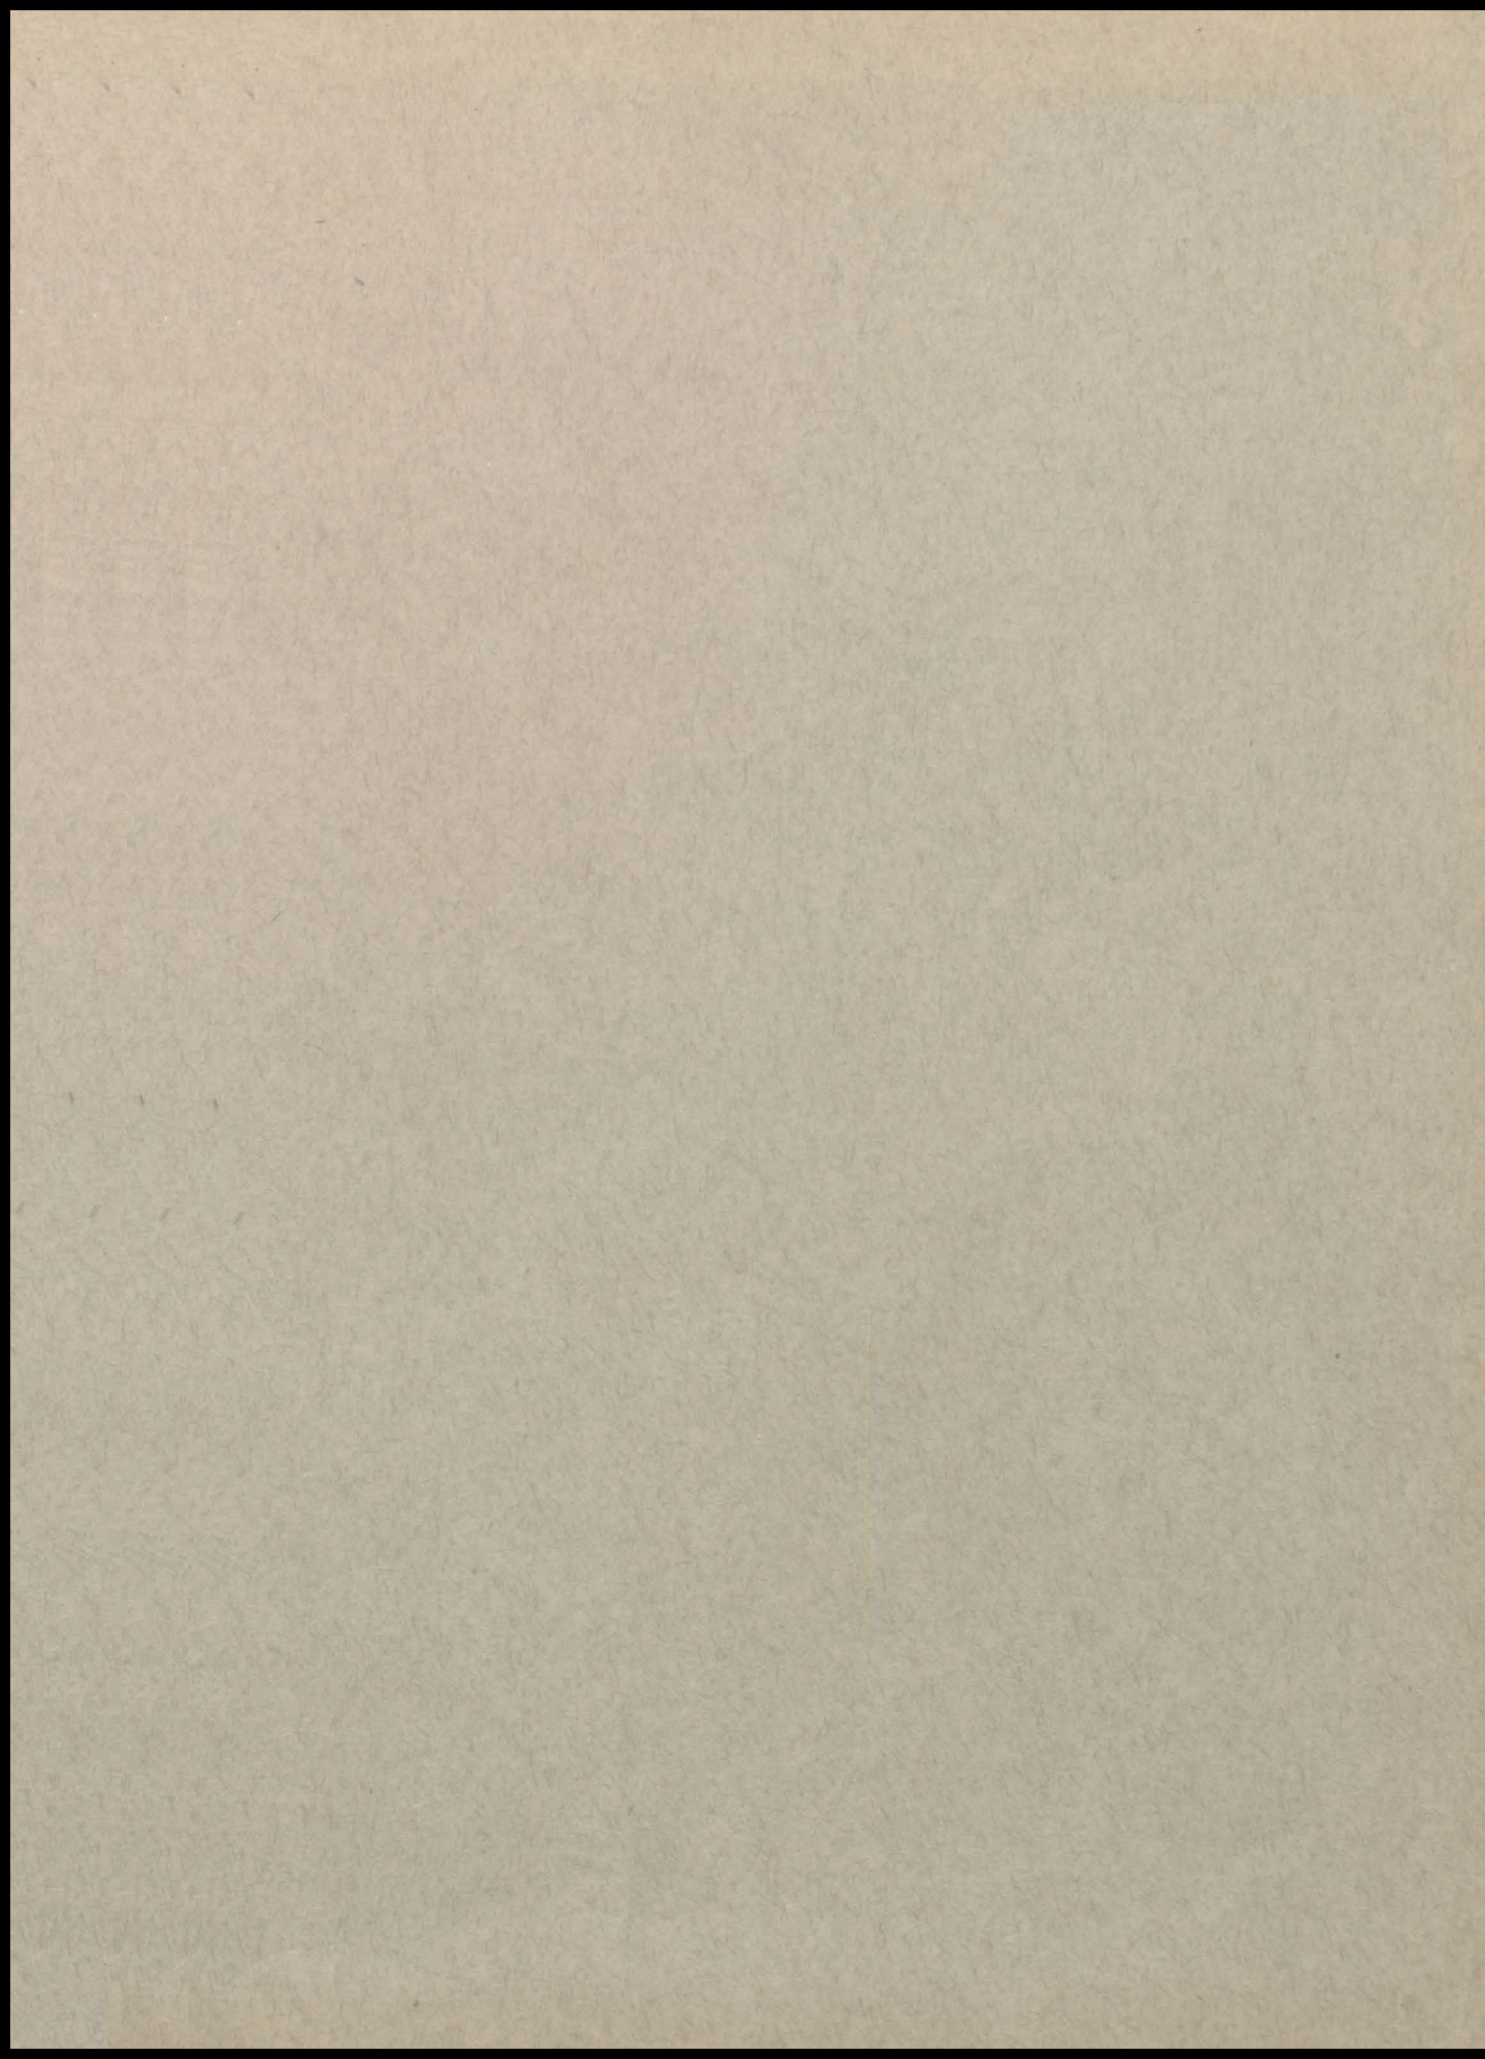

We have worked together as a team and without the contributions of each and every one we could not have produced this excellent edition of **Memories**.

Thanks again and well done!

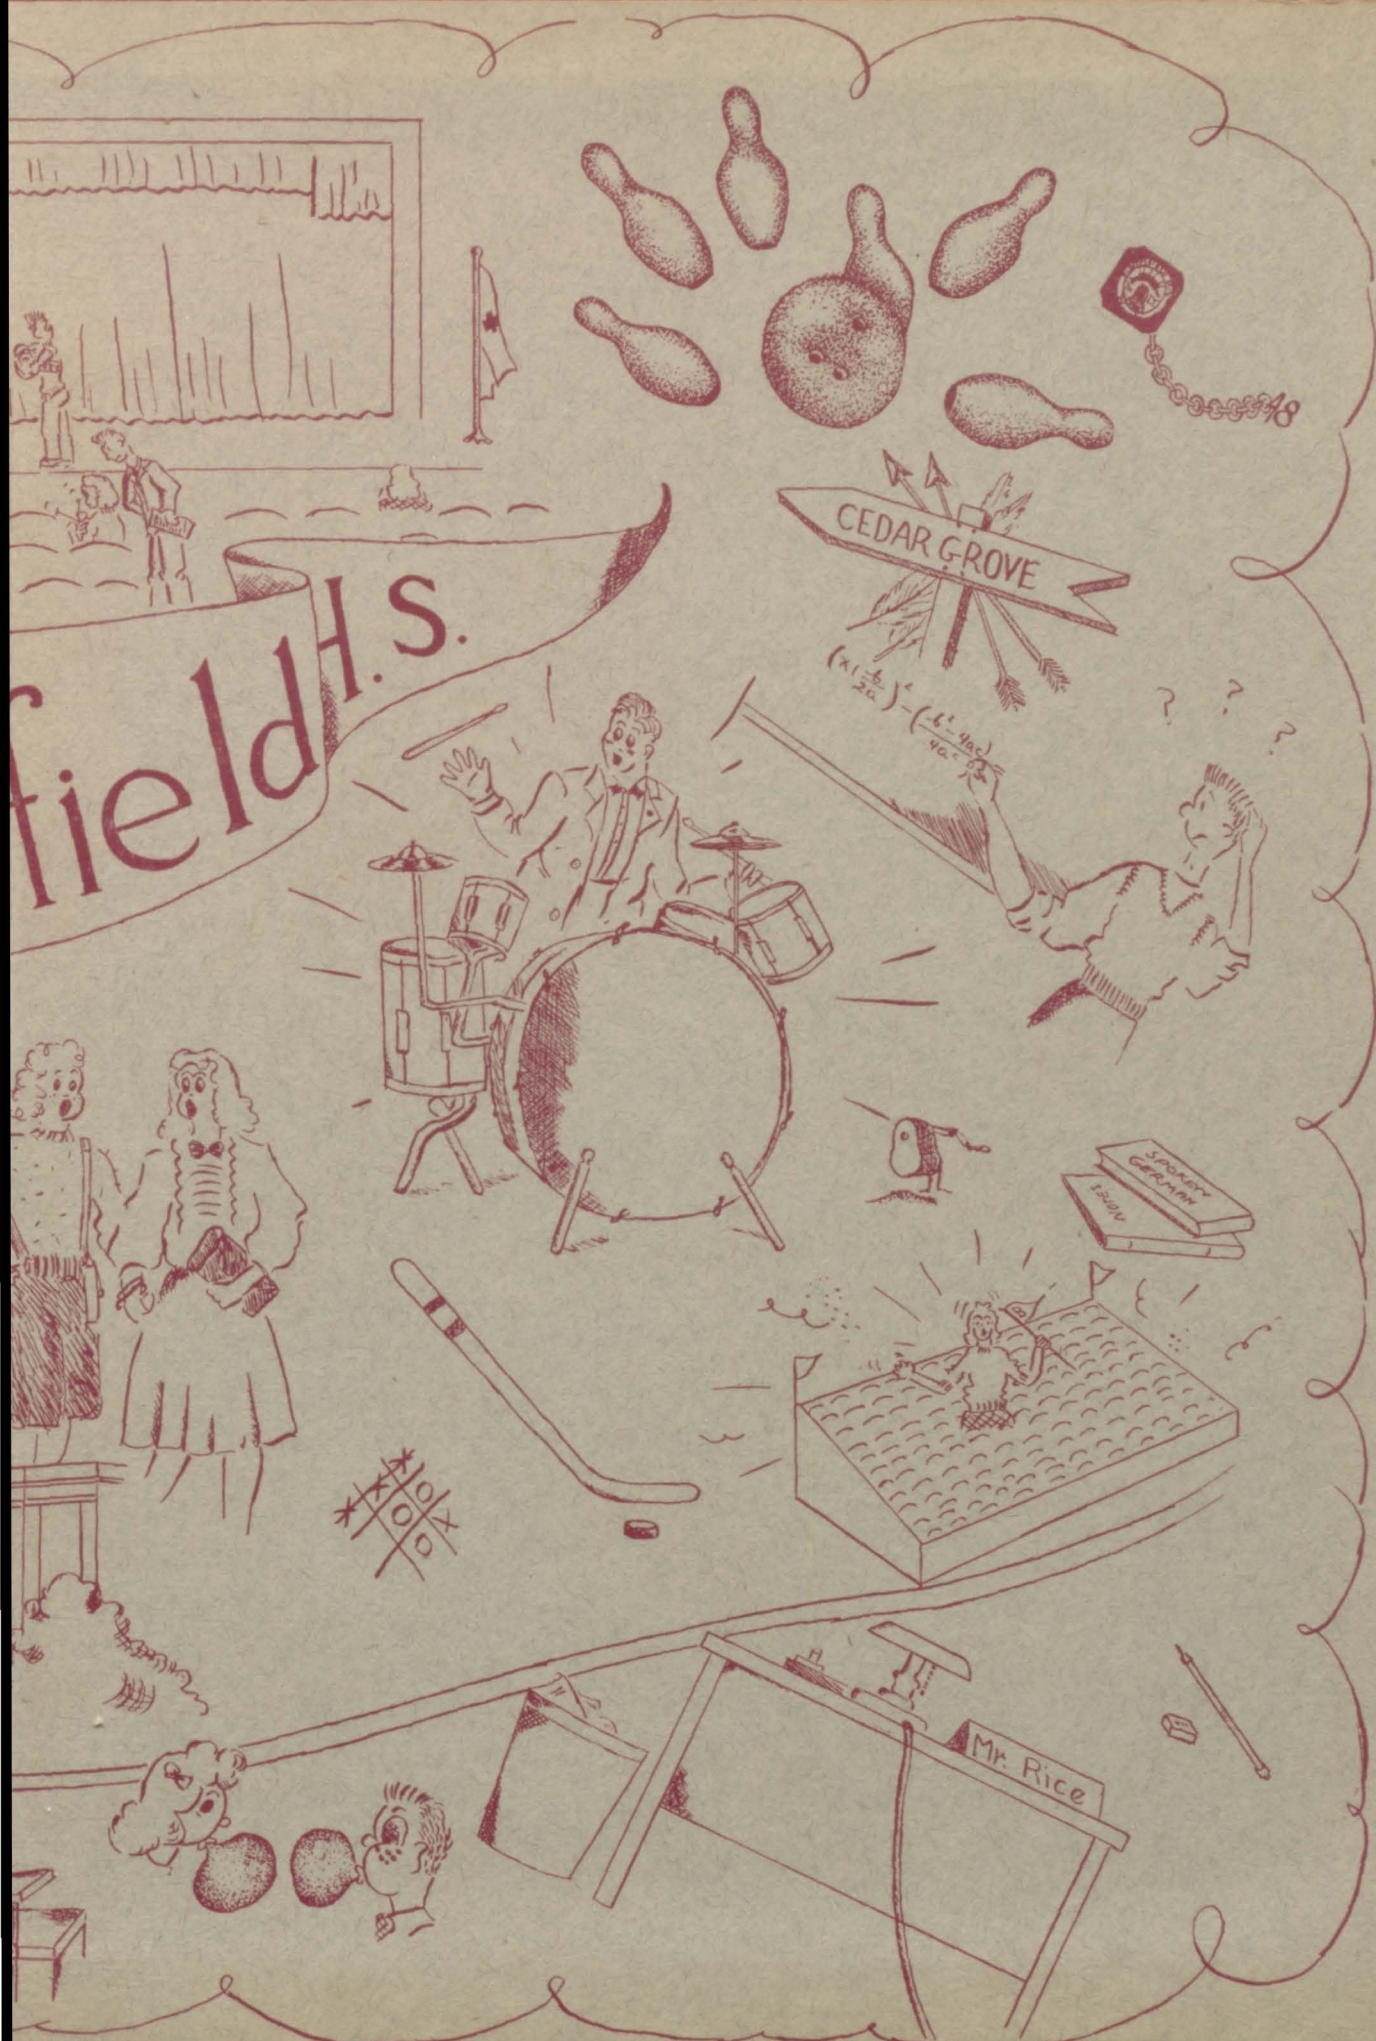

Sincerely,

Paul J. Woods
